## FRIENDS OF APPLICATION FORM

Selby Town Council would like to invite members of the Selby Town Parish to join a 'Friends of' group. We have three to choose from, Friends of the Cemetery, Friends of the Pond and Friends of the Woodland.

The Cemetery is located on Longmanns Hill Road, the Pond is located on the Community Land on Scott Road and the Woodland is located on Bondgate.

Selby Town Council have introduced a Nature Recovery Plan and we believe that by having 'Friends of' groups for these three key areas, it will really support the work that we want to do as part of the recovery plan.

This is a voluntary role that will work with our Environment Committee to maintain, improve and promote these areas. It's a great way to make friends, keep fit, get some fresh air and increase community cohesion.

If you are interested in joining one of these groups please complete this form and we will be in touch.

We may require to hold your data and add your name to the waiting list until a vacancy becomes available.
